O Eternal Son of God! in presence of the Crib, where for the love of us Thou vouchsafest this day to submit Thyself to Thy creatures, we confess Thy eternity, Thy omnipotence, Thy divinity, and most profoundly do we adore Thee. Thou wast in the beginning ; thou wast in God; and Thyself wast God. Everything was made by Thee, and we are the work of Thy hands. O Light infinite and eternal! O Sun of Justice! enlighten us for we are but darkness. Too long have we loved our darkness, and Thee we have not comprehended: forgive us our blindness and our errors. Thou hast been long knocking at the door of our hearts, and we have refused to let Thee in. To-day, thanks to the wonderful ways of Thy love, we have received Thee: for who could refuse to receive Thee, sweet gentle Infant Jesus! but leave us not; abide with us, and perfect the New Birth which Thou hast begun in us. We wish henceforth to be neither *of blood, nor of the will of the flesh, nor of the will of man*, but of God, by Thee and in Thee. Thou hast been made Flesh, O Word Eternal! in order that we may become *sons of God*. We beseech Thee, support our weak human nature, and fit us for this our sublime destiny. Thou art born of God Thy Father; Thou art born of Mary; thou art born in our hearts; thrice glorified be Thou for this Thy triple Birth, O Jesus! so merciful in Thy Divinity, and so divine in Thy self-sought humiliations !
