LOURDES PILGRIMAGE- NEXT SATURDAY: for our Rosary Crusade for life in reparation for the Synod of the Amazon.

«**RECITE THE ROSARY EVERY DAY!**»

(excerpt from "THE WHOLE TRUTH ABOUT FATIMA" of Frère Michel de la Sainte Trinité)

Sister Lucy takes pleasure in stressing this point: in each of Her six apparitions, "our Heavenly Mother" made sure to repeat Her request, always in the same terms, with the same insistence: «**Recite the Rosary every day!**» This shows how much this beautiful prayer, so traditional in the Church, is supremely pleasing to Her motherly heart.

Far from being a completely secondary and optional devotion, the Virgin of Fatima came to reveal to us that **the Rosary is the most ordinary condition to infallibly obtain all the graces that we ask of Her**. Yes, She is the Mediatrix of all graces, by the good pleasure of Her Son. But this outpouring of favours which She holds in Her Heart, She can only release on each of our souls, our families, our countries and the world, in response to the humble and suppliant imploring of innumerable Rosaries. If, just as at Lourdes, She willed to appear at the Cova da Iria holding in Her hand this blessed instrument, guide of our prayers, it was to show us that **it is the surest means, because it is the easiest and the humblest, of winning Her Heart and obtaining Her graces**. Such is indeed the message of Fatima, which on this point is only repeating and developing that of Lourdes, but with even more vigour.

We recall that on May 13, Lucy asked the apparition: «And will Francisco go to Heaven?» And Our Lady answered by laying down Her condition: «Yes, he will go, but he will have to say many Rosaries!» On July 13, on the subject of John, the crippled son of Maria Carreira, the Blessed Virgin expressed the same requirement, as a condition for Her favour: «... But he must recite the Rosary every day with his family, and he will be able to make a living.» In this conversation alone, Our Lady spoke at least three times of the Rosary. «I made some requests that I don't remember», recalls Sister Lucy. «What I do remember is that Our Lady said that they must recite the Rosary to obtain these graces during the year.»

In 1970, Sister Lucy wrote several admirable letters to exhort the faithful to the practice of the daily Rosary. They are rich in doctrine and precise recommendations for meditating fruitfully on the mysteries of the Rosary. Let us recall here only one phrase: «**The Rosary is, for the great part of souls who are living in the world, as it were their daily spiritual bread.**» To deprive them of it, inciting them to neglect or ignore this prayer, is to snatch from their mouth the bread of grace.
