## Permanent Notices

### **Donations:**

For parishioners unsure of how much to donate, it is traditionally one day wage per month (for those working full time). For those who work part time or don't work at all, the average of what someone would earn after one hour of work is sufficient.

### **First Collection:**

The first collection covers the day to day expenses of the Church as well as flights for the priests to and from Brisbane. People wishing to direct deposit their first collection can do so as per instructions on the last page of this newsletter.

### **Second Collection:**

The second collection is for the repayment of the new church loan. People wishing to direct deposit this donation can do so as per the instructions on the last page of this newsletter. Please note this is a different bank account to the first collection.

### **Mass Intentions:**

The customary stipend recommended for Mass intentions is set by the district superior. It is currently set at \$25.

### **Bequest:**

You may want to consider remembering the Parish in your will as it is only by means of such donations that we can carry out any major projects or future developments. A small proportion of each bequest will be allocated to the support of the SSPX General House in Switzerland and the District House (in Sydney). Thank you kindly.
